A total of 50 feedbacks were received from third and final year MBBS students. With the total scores calculated from the feedback submitted by these students, 6% felt that the curriculum is Excellent, 90% opined that the curriculum is very good, 4% said it is good and none of the score falls into average and below average category.

With analysis of individual questions of the feedback collected from the students, we have observed the following findings: Students have given good, very good and excellent score for most of the areas in the feedback form. As far as electives and value-added courses are concerned, 1 student has given a below average score and 7 students have given average score.

Teachers' feedback on curriculum:

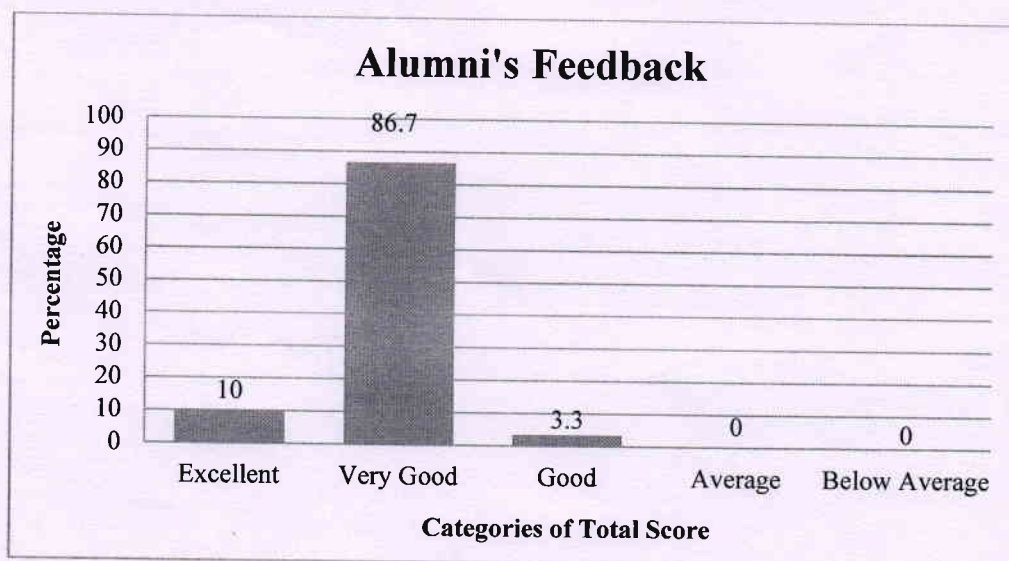

Teachers' feedback form has a total of 13 questions and these are also scored using 5 point likert scale. The total score was categorized as excellent (53 to 65), very good (40 to 52), good (27 to 39), average (14 to 26) and below average (0 to 13).

The feedback was obtained from 50 teachers. With categorization based on total scores, we found that 34% have opined that curriculum is good and 66% said it is very good.

Alumni feedback on curriculum:

Alumni feedback form has a total of 8 questions and these are again scored using 5 point likert scale. The total score was categorized as excellent (33 to 40), very good (25 to 32), good (17 to 24), average (9 to 16) and below average (0 to 8).

The feedback was obtained from 30 alumni and among them 3.3% said that curriculum is good, 86.7% said it is very good and 10% said it is excellent.
