Dated: 19.04.2018

**CIRCULAR**

College Council Meeting will be conducted on 24.04.2018 at 2.00pm at College Council Hall (College Block). That Heads of the departments of Pre, Pra clinical and Specialty departments shall attend the meeting.

**AGENDA for College Council Meeting**

1. MCI Matters
  - i. AETCOM Training, Skill lab, MEU activities, Academic Calendar.
  - ii. MCI Renewal inspection for MBBS
  - iii. Preparation of Form B and updation of documents
  - iv. Department wise credit hours and credit points
2. NAAC – IQAC Related
  - i. Reorganization of IQAC and preparation of AQAR
  - ii. Vaccination of Healthcare workers
  - iii. ARV Clinic
3. Student aspects
  - i. Disciplinary Matters
  - ii. Logbook for MBBS Students
  - iii. CBME
  - iv. ICMR - STS
  - v. Chicken pox vaccination for students
  - vi. CRRI Attendance Matters
  - vii. ENT Posting
4. Suggestion for University Senate Meeting
  - i. Paper correction works
  - ii. Additional central Valuation centre
  - iii. Summer Workshop on Research Methodology for UG Students
  - iv. Early Payment for internal Examination
5. IRB Matters
6. Sports & Cultural activities
7. Vacation for Pre and Para Clinical Departments
8. Administration Matters
9. Health Camps Related Matters
10. Equipments related
11. Starting of Allied Health Science courses
12. Implementation of courses for UG students
13. Any others matters with the permission of the chair

**Minutes of College Council Meeting**

The College Council Meeting was held on 24.04.2018 at the college council hall between 2.00pm and 3.30pm. The Dean, the Chairman of the college council welcomed the gathering of HODs and conducted the proceeding of the meeting. The minutes of the meeting are furnished below.

**I. MCI Matters**

a. AETCOM training, skill lab, MEU Activities, Academic calendar:

- i. **AETCOM training:** Importance of **AETCOM training** was explained by Prof. Dr. Gurudatta S Pawar, the coordinator of MEU. He stated that in future the basic Medical Education training Program of our college shall be for four days and the 4<sup>th</sup> day shall be exclusively for AETCOM training. It was resolved to conduct AETCOM training and train all the faculty in batches during June- July of this academic year 2018-19.
- ii. **Skill lab:** MCI wants the medical students to be trained in skill lab so as to gain skills and handle cases better. Moreover during MCI inspection the assessors may look for skill lab. Hence, the Prof. & Head of each dept. are requested to give their requirements for skill lab. based on the skills to be acquired from their specialty point of view to the Dean on or before 15.05.2018.
- iii. **Academic Calendar:** The Prof. & Head of each dept. is requested to prepare their academic schedule for 2018-19 and submit the same to the Dean. The coordinator of MEU has been entrusted with the responsibility of consolidating and finalizing the same for our college in order to avoid overlapping.
- iv. **CBME:** The coordinator of medical education unit (MEU) has been entrusted with responsibility of conducting training on Competency Based Medical Education (CBME) programme for the faculty so as to implement CBME both for UGs and PGs from this academic year 2018-19. All were asked to make necessary entries in the log book of the respective students. All relevant records shall be maintained by the Prof. & Head of respective departments for MCI, University and accreditation purpose.

P.T.O.

- b. **MCI renewal inspection for MBBS:** All the Professors were informed that our college will be going through MCI renewal of MBBS recognition inspection. For this purpose, there will be two inspections - one during the time of final MBBS part II clinical examination and the other MCI inspection will be a surprise one. Hence, all have been asked to maintain the academic and administrative records to their dept ready as on date. The Clinical materials and Hospital records shall come up to expectations of MCI.
- c. **Preparation of Form B and updation of documents:** The Professor and Head of each department has been informed to prepare Form B of their departments, and update all related records, registers, documents and files. They have been asked to maintain evidences for the academic activities, participation of students and patient related services. Kindly assign these works to one of your faculty who will complete these works as on date and keep you informed.
- d. **Department wise credit hours and credit points:** For each of the programme such as CME, workshops, conference etc., the management provides money to get credit hours and credit points from the Tamil Nadu Medical Council and The Tamil Nadu Dr. M.G.R. Medical University respectively for every department. MCI expects MEU to be part of all such academic activities conducted by departments, and MEU is answerable to MCI assessors with regard to credit hours and credit points. Apart from that MEU has to consolidate the data on monthly basis and pass on the same to IQAC (Internal Quality Assurance Cell) for final preparation of AQAR (Annual Quality Assurance Report). So Prof. and Head of each department is requested to provide the details of the **credit hours and credit points** for the academic activities (both soft copy and hard copy) conducted on monthly basis for the period ranging from July 2017 to April 2018 along with evidences in the format given below to the Dean.

**Report for the Academic Activity with credit hours and credit points (one copy for each programme with evidences to be submitted on monthly basis to the Dean for MCI purposes)**

Name of the Department: -----

Name of the Academic Activity -----

[Conference, CME, Guest Lecture, Workshop, Integrated teaching, etc.,]

Date on which the programme conducted -----

Collaborating departments -----

Credit points from University -----

Credit hours from the Tamil Nadu Medical Council -----

No. of participants category wise (Copy of the attendance sheet)

Signature of the Head of Department

P.T.O.

## II. NAAC – IQAC related

- a. Reorganization of IQAC and preparation of AQAR: Since the college has got NAAC accreditation, all were informed to ensure quality in their services and submit the soft and hard copy of the services, achievements and activities (both soft copy and hard copy) to the Dean on Monthly basis not only for Annual quality assurance report (AQAR) but also for the purpose of display in the college website. Hence, all the Professors were asked to improve the quality of services in a measurable manner. To achieve all these, the college council authorizes the Dean, the Head of the Institution and the Chairperson to reorganize IQAC and nominate the members for IQAC and revise/ redesign the standard operating procedures (SOPs) of IQAC.
- b. Seed money and incentives: NAAC expects the faculty, residents and students to undertake research activities and enhance publications. In order to enhance research activities and publications as per the benchmarks recommended by the members of Institutional Research Board, it was resolved to request the management to provide seed money for projects and incentives for publications.
- c. Vaccination of Health workers: Dr.A.Uma the Professor and Head of Microbiology suggested that all health workers shall be immunized against Hepatitis B virus and hence, it was resolved to provide vaccination against Hepatitis B virus at concessional rate for all health workers in a time bound manner and maintain the records for NAAC & NABH purposes. The RMO and the Nursing Superintendent shall be asked to oversee the activities and achievements
- d. ARV (Anti-rabies vaccine) Clinic: The suggestion of Anti-rabies vaccine clinic as part of service brought by Dr.S.Elango the Professor and Head of Community Medicine was accepted. It was decided to have ARV clinic at emergency/casualty department and the Medical Superintendent has been asked to do the needful. The Professor and Head of Community Medicine has been asked to provide guidance with regard to maintainance of records and registers, as well as review the services on monthly basis.

## III. Student aspects

- a. Disciplinary Activities: The Professor and Head of each department have been informed to handle minor unprofessional behavior of students by themselves. If they could not handle any such issues, they shall discuss the matter in person with Vice Principal and Dean for further action.

- b. **Logbook for MBBS students:** The Professor and Head of all clinical departments are asked to adhere to the log book designed by the University for MBBS students and displayed in the website from this academic year 2018-19. They were asked to follow the university stipulations for the logbook and keep them ready for MCI and University inspections.
- c. **ICMR-STs:** The college council would like to place on record the encouragement provided by the faculty to the students to carry out short term projects under their guidance. Among the 38 applied for ICMR-STs, seven of them were selected by ICMR under STs scheme (One each belonging to Anatomy, Physiology, Biochemistry, Pathology, Microbiology, Pharmacology and Medicine). The national selection of medical students for ICMR-STs was 16.6% whereas our college rate was 18.91% for the year 2018.
- d. **Seed money for UG students' projects:** A total of thirty eight students evinced interest to do small project works under the guidance of our faculty and all these were approved by our institutional ethics committee. Of them, only seven were selected by ICMR under STs scheme. To encourage the remaining 31 students and the guides, it was resolved to request the management to provide seed money of at least Rs. 5,000/- for each project.
- e. **Chicken pox vaccination for Students:** Dr.A.Uma the Professor and Head of Microbiology suggested to motivate our Students and nurses to have Chicken pox vaccination in order to reduce morbidity and avoid leave. These were accepted and the works were allotted to student advisor and nursing superintendent respectively.
- f. **CRRl Attendance matters:** It was resolved to complete the attendance of CRRIs at the end of every month and/ or end of their respective postings. If any lapses in their attendance and requires extension, it shall be represented by the respective unit chief along with the remarks of respective head of department immediately on the completion of respective posting further action.
- g. **ENT postings:** Prof. Dr. A.Jesudass, in the interest of students learning their clinical skills suggested to have two weeks ENT posting during 7<sup>th</sup> semester and before university examination. Prof. Dr.Karthick the coordinator/Member Secretary of UG Curriculum Committee has been asked to consider the request of Prof. Dr. A.Jesudass and do the needful.
- h. **Students attendance for clinical postings:** Non-attendance of clinical postings and the consequences shall be informed to students and their parents by letter and personal counseling, and the respective Prof and Head were asked to maintain relevant records for the same. Subsequently their attendance shall be uploaded by online to the university.

P.T.O.

#### IV. Suggestions for University senate meeting

- a. Paper correction works: The University examination paper correction works may kindly be commenced from 8am and continue till 8pm and in two shifts and using the services of many of the faculty staying in the university guest house. By these ways, the outcome of total papers corrected per day will be enhanced as well as the University expenditure towards TA and DA can be brought down. In other words, with minimum teachers maximum work can be carried out.
- b. Additional central valuation centre: It is suggested to have one more central valuation centre in any of the medical colleges in the centre of Tamilnadu like Trichy which will cover the services of faculty of medical colleges in the south, east and west under the supervision of the Dean of the respective Medical college undertaking the work. This is feasible since the papers corrected by the faculty carry dummy number and the faculty corrects the PDF format of the answer paper. The software company shall be asked to extend their services. By this way, the paper correction shall be completed in time with minimal expenditure.
- c. Summer workshop on Research methodology for UG students: It is suggested to ask all the affiliated colleges of The TN Dr. MGR Medical University to conduct a minimum of five days interactive workshop on research methodology during summer vacation for the interested UG students using their own faculty without collecting fee of any form from students and thereby inculcate research culture among UG students. Let our University be a model for other Universities and colleges in India. These types of teaching and training are welcomed by NAAC and the University may consider this suggestion favorably since the University is going to NAAC. The teachers involved in this activities may be given five days compensatory leave in appreciation of their commitments. The responsibility of conducting the research methodology workshop is given to the Dean/Principal of the respective colleges. The University academic officer shall be asked to monitor the activities of the workshop and collect the details from the institutions affiliated to the University which will be used for the purpose of enhancing the status of our University from the point of NAAC.

#### V. IRB related

- a. Thanking the Dean: The college council would like to thank the Dean and place on record the successful conduct of IV National Workshop on Research Methodology from 22<sup>nd</sup> to 24<sup>th</sup> March 2018 with the sponsorship of ICMR and SERB of DST. This workshop has trained 45 scholars who have come from various parts of India and their details are given in the table given below:-

P.T.O.

|                   |                 |
|-------------------|-----------------|
| Andhrapradesh – 5 | New Delhi - 2   |
| Karnataka - 1     | Puducherry - 3  |
| Kerala - 2        | Tamilnadu - 28  |
| Maharashtra - 3   | Uttarakhand - 1 |

b. Registration of our medical college Institutional ethics committee:

It was resolved to register our medical college Institutional ethics committee (IEC) for human participants under Drug Controller Authority of India as suggested by Prof. Dr. S.D. Nalina Kumari, the Member Secretary of our IEC.

c. Authorization of Dean to receive funds from funding agencies: Since, the Govt. funding agencies ask for the authorization of Head of the Institution to receive funds for the conduct of academic programmes, the college council authorizes the Dean, the Head of the Institution to receive funds for the proposed programmes.

d. Publications of research papers in the E-journal of our University:

All were informed on the invitation of the Tamilnadu Dr. MGR Medical University to publish their research publications in the E-journal of our University (Ref: Lr.No. COE/20906/2018 of the COE i/c dt. 13.04.2018).

In this regard, it is requested to motivate all other faculty, residents and PGs to submit their research papers to our University E-journal. Kindly inform all the postgraduate students to publish a minimum of two papers in the university E-journal as an eligibility to appear for postgraduate examinations.

VI. Sports and Cultural activities

- The college council would like to place on record the successful conduct of sports activities and the contributions made by staff advisor Dr. Guru T. Arun and Head of physical education Dr. L. Manivannan during the first week of April 2018.
- It is resolved to have annual cultural programme for the students from 30.04.2018 to 04.05.2018 as suggested by the staff advisor Prof. Dr. Karthick.
- Dr. Guru T. Arun and Dr. Karthick have been asked to provide a detailed report on sports and Cultural activities respectively for the purpose of NAAC and IQAR

VII. Vacation for pre and para clinical departments: The Professor and Head of Pre and Para Clinical department were asked to prepare vacation chart (10 days either as single spell or split manner) for their eligible faculty during the month of May 2018 without detrimental to their works.

P.T.O.

VIII. Starting of Allied Health Science courses: Members were informed that our college is going in for seven Allied Health Science courses. In view of that all were requested to extend their support and cooperation for the conduct of university Inspections as well as educational activities.

IX. The feedback analysis report of the curriculum and syllabus was discussed. The suggestions given by the curriculum committee was presented in the college council meeting which are as follows. The courses suggested by curriculum committee were categorized as value added and add on courses. Dean has proposed to conduct the courses for following professional years for each of the courses.

Value added courses

- Basic communication in English – I year MBBS
- Hospital Information System - II year MBBS
- Biomedical Waste Management - III year MBBS
- Basics in Research methods - IV year MBBS
- Essentials of Palliative Care - CRRI
- Surgibase - Basic skill training - CRRI

Add on courses

- Basics of Yoga - I year MBBS
- Nutrition and Health - I year MBBS
- Hospital acquired infection control and prevention - II year MBBS

The suggestions were accepted by the college council members for implementation.

The meeting was adjourned with vote of thanks proposed by the Vice-Principal.

**Minutes of College Council Meeting**

The College council meeting was held on 11-03-2019 at the college council hall between 2 and 3p.m. The Dean welcomed the participants and invitees, and informed that the Medical Council of India (MCI) has rolled out revised curriculum from 2019 batch. Hence, it was decided to get familiarized with the reforms and MCI expectations. Dean told that we had three meetings with regard to **curriculum implementation support program (CISP)**, one in February 2019 and two in March 2019. This is the fourth meeting to describe the details of CISP to all the Head of Departments.

After a brief introduction on CISP by Dean, the Dean asked our faculty trained on CISP to narrate the details of CISP, methods adopted to implement, preparation of institution for CISP and expectations of MCI. The Details of CISP were presented by Dr.Umapathy Sembian. Dr.M.Vijayakumar, Dr.Dhivya Sethuraman and Dr.Anupriya with examples. They also explained the challenges and suggested solutions.

**1. College Curriculum Committee:** The existence of College Curriculum Committee (CCC) of our college and its structure were explained by the Dean. All the five faculty members of our CCC except the Dean underwent training on CISP at Sri Ramchandra Medical college (SRMC), Chennai, the nodal centre for our college from 28-02-2019 to 02-03-2019 with the support of the management.

**2. Curriculum Sub Committee:**

- a) MCI wants every institution to have a **curriculum subcommittee** which shall have the Prof and Head of the dept, and the second one from the same dept. as nominated by the Head of dept.
- b) These two members belonging to respective department along with their co-faculty shall prepare the time table and **design a log book from their dept point of view** as per MCI towards **teaching training and assessment, learning/ teaching modules etc.**, for each subject/ title in an inter-disciplinary/ inter-departmental and in a coordinated manner after a formal interaction with the respective and allied departments, in a time bound manner preferably before 20<sup>th</sup> April 2019.
- c) Faculty members of every department shall get familiarised with their roles for revised curriculum, as these will be asked by the MCI assessors during inspection of their departments.
- d) The sub-committee members belonging to pre-clinical departments shall also consider the design and delivery of materials for **foundation course**

**3. Alignment and Integrated Team (AIT):**

- a) There is a need to form an alignment and Integration team (AIT) who will interact with the respective subcommittee members of every department and their department faculty, and oversee the deliverable curriculum covering all the subjects/ titles of the respective dept. as well as incorporation of appropriate teaching technologies and assessment including AETCOM.

P.T.O.

- b) The following faculty undergone training on CISP at SRMC, Chennai, have been nominated as members of AIT and they have been asked to fine tune the materials in consultation with respective Head of department, as these materials will be displayed in the college website for the benefit of stake holders and MCI.

| Alignment and Integration Team |                      |                                                       |
|--------------------------------|----------------------|-------------------------------------------------------|
| S.No                           | Name                 | Designation & Department                              |
| 1                              | Dr.M.Muhil           | MEU Coordinator and Associate Professor of Physiology |
| 2                              | Dr.Umapathy Sembian  | Associate Professor of Anatomy                        |
| 3                              | Dr. Anupriya         | Associate Professor of Microbiology                   |
| 4                              | Dr.M.Vijayakumar     | Associate Professor of ENT                            |
| 5                              | Dr.Dhivya Sethuraman | Associate Professor of obstetrics & Gynecology        |

**4. Quality assurance team:** Apart from that, it is proposed to have a quality assurance team, who shall go through the teaching, training and assessment modules designed by the dept. and reviewed by the AIT in order to ensure quality, and applicability as these will be displayed in the college website.

**5. Simulation Lab:** It is proposed to organise simulation lab. which shall be headed by one of the Professors of surgery who shall initiate, take efforts to update, sustain and monitor utilization of simulation lab. towards teaching, training and assessment as well as acquisition of skills among students, residents and faculty.

**6. Communication Lab:** It is proposed to entrust the works of initiation and sustenance of communication lab. to MEU coordinator who shall develop a model communication lab in consultation with EDP department, and utilise this lab to train our entire faculty, residents, students, nurses and other health care workers.

**7. Uploading of Learning materials and teaching schedules in the college website:** The MEU coordinator shall in consultation with Dean shall take initiatives to upload the finalized learning materials and Time table in the college website for the benefit of stake holders and for MCI before May 01, 2019 as per the communication received from nodal centre.

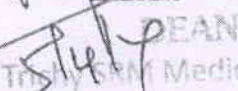

**8. Time Schedule:** It is proposed to have multiple training sessions on CISP each with 30 faculties within a period of four months so as to cover the entire faculty on revised curriculum under the supervision of MCI observer. The MEU coordinator shall take initiatives for these activities.

**9. Foundation Course:** It is proposed to form a team for the preparation of the schedule and materials for foundation course, which shall take efforts to select titles, subjects, contents, methods of organization, and listing out the contributors to deliver lectures, demonstrations, provision of handouts etc., to the student participants in consonance with MCI. The team shall also explain on all about teaching, training and assessment to the MBBS students, and also requested to state on discipline & regulations as well as co-curricular and extracurricular activities.

**10. Graduands' Day celebration:** It is proposed to have graduands' day function on 29.03.2019

**11. Sports and cultural day for 2019:** It is proposed to have sports and cultural day celebrations during April and May 2019 respectively.

**Minutes of College Council Meeting**

The College Council Meeting was held on 08.04.2020 at the College Council Hall between 2 and 3 pm. The Dean welcomed the members and invitees and initiated the proceedings.

**Agenda**

1. Discussion regarding minutes of the previous meeting
2. Online teaching for Undergraduates

**Minutes**

The Dean welcomed all the members.

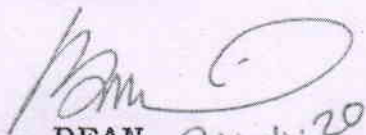

It was informed that the details for the preparation of academic calendar not received from many departments and requested to submit at the earliest.

In view of COVID-19 pandemic, the lock down has been extended for a further period of 15 days from 1<sup>st</sup> April 2020. In view of uncertainty, it has been proposed to commence online teaching classes for Pre, Para, Clinical and AHS students from 15<sup>th</sup> April 2020 after preliminary discussion with MEU Coordinator and Curriculum committee members held on 6<sup>th</sup> April 2020.

After a prolonged and detailed discussion by the Professors and Heads of all the departments, the following resolutions were made.

- Online classes will be conducted through Google suite.
- A format for online teaching and assessment schedule for MBBS, AHS students have to be prepared by MEU Coordinator and submitted to Dean on or before 11<sup>th</sup> April 2020. It should include topic of the lecture, assignments, attendance, assessment, feedback from the students as per MCI guidelines.
- Google suite enabled email id will be given to all HoDs which alone should be used for online classes.
- According to phases, the lecture classes will be allotted for conducting online classes assisted by Syscom staff.
- All the laptops available in the departments should be upgraded with camera, mike, and provision of recording and other necessary software's by Syscom department for the uninterrupted usage for online classes.
- Conducting demonstration session on teaching through online mode by Medical Education Unit and IQAC which was accepted by all members.
- The recordings of the proceedings along with the attendance of the students will be sent to the Dean on daily basis on downloadable format.
- Likewise, the daily report on online classes will be communicated to Honorable Chairman.
- A comprehensive monthly report about online teaching will be submitted to the Dean by MEU Coordinator on or before 5<sup>th</sup> of every month.

The meeting was adjourned at 03.10pm.
