Report of the Career Counselling Session'2018- Interns and final year MBBS students.

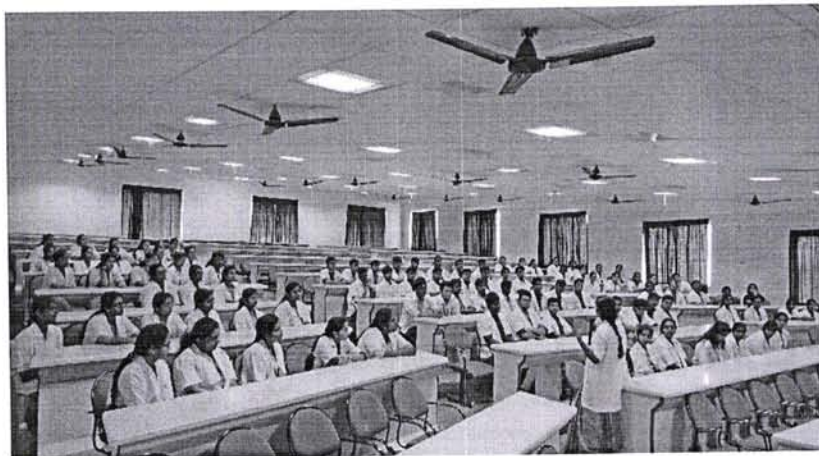

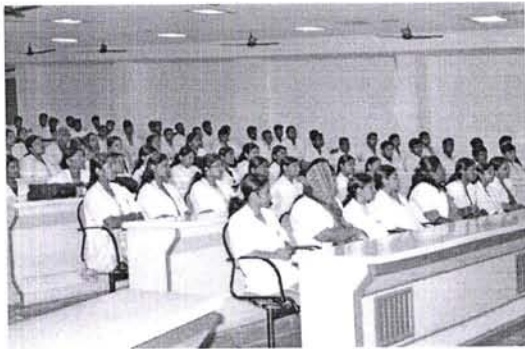

Medical students are apt to think that their career path has been determined at the time of their admission into medical school. Giving young people the tools and knowledge to plan for their future is a primary goal of education and with this goal in mind a Career development awareness seminar was organised by the Management of Trichy SRM medical college hospital and research on March 17th (Saturday) 2019 Trichy SRM campus.

The seminar titled was “**Career options; How to Crack – NEET PG Exams**” was focussed on bringing awareness about the career options available for Doctors in other fields such as the Public service Commission. The program started with a welcome speech by the Director of the campus Dr N. Balasubramanian and Dean Dr Vinayagam flagged off by the Presidential speech by the Honourable Chairman Dr.R.Shivakumar.

The invited speaker was **Dr. Gugapriya**, a motivation speaker who shared his life experiences about how success could be achieved if the youngsters start “Dreaming big” and thinking “Out of the box”. Specifically, students in lower academic levels wanted interaction with personnel from various medical health professions and in-depth career counseling hours. Students in the higher academic levels, however, desired to meet personnel from specific career choices, field experiences, and in-depth consulting hours for career decisions. The need for tailoring career coaching programs according to academic levels was also discussed. The seminar was attended by 103 Intern students and 159 Final Year students. Their participatory enthusiasm was palpable throughout the two hours of interactive sessions. The speakers were open to questions and encouraged the audience to put-forth their queries, they also shared life tips and information on how to navigate through the various competitive exams to achieve success in
