(b) **Resignation.** For an SSC officer to separate from service before completion of 05 years contractual obligation, he/she has to apply for resigning his/her Commission. However, it may be noted that resignation has many disadvantages. A candidate who resigns his Commission loses all his service benefits as well as the ex-serviceman status which allows him/her to avail age relaxation in applying for Central/State Government service. Candidates are, therefore, advised in their own interest not to resign their Commission.

Reserve Liability

16. On completion of the contractual service and release from service, you would be liable for reserve duty for a period of 5 yrs/after your date of release as per the provisions of the Army Instructions on the subject.
