Report on "Preparing for University Exams in the context of CBME curriculum"- Guest Lecture

Overview:

The Department of Microbiology, Trichy SRM Medical College Hospital & Research Centre (SRM group) Trichy organized undergraduate Online Guest Lecture on "Preparing for University Exams in the context of CBME curriculum" on 9th February 2022 between 11:00 AM to 1:00 PM. The initial step was taken on 23rd July 2021 with a request letter to the Dean, for approval.

Venue:

The programme was arranged in Online mode in the Department of Microbiology, College block.

The resource person included:

Dr. M. Jane Esther, Asst Professor, Karpaga Institute of Medical Sciences & Research

Former Alumni of Trichy SRM Medical College Hospital & Research Centre

Faculty members Attended:

Dr.ChitraRajalakshmi, Prof& Head of Microbiology

Dr.R.Saraswathi, Assoc. Prof, Dept of Microbiology

Dr.A.Anupriya, Assoc. Prof, Dept of Microbiology

Dr.R.Dineshraj, Assistant Prof, Dept of Microbiology

Dr.Anitha. K, Assistant Prof, Dept of Microbiology

Mr. Vallab Ganesh Bharatwaj, Tutor, Dept. of Microbiology

Dr.GerlineRenildaRose.J, Tutor, Dept. of Microbiology

Dr.Vijaya Dharani .T, Tutor, Dept. of Microbiology

Student Participants:

123 students attended the seminar through Google Meet online mode.

Report :

The guest speaker started the session with a small ice breaking session, then had an interactive discussion about how they are preparing for upcoming University Exams. Her

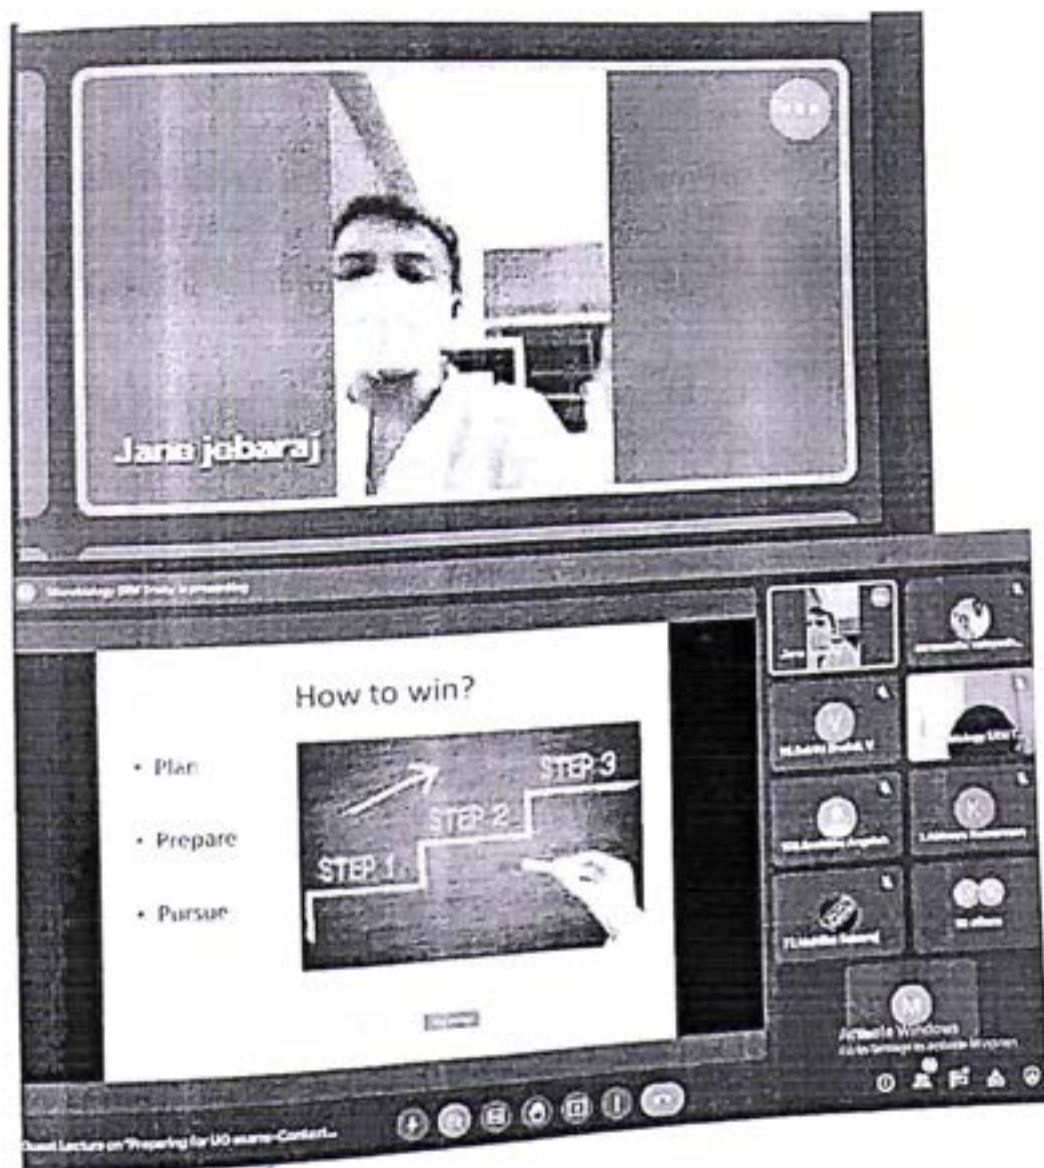

DEAN

presentation was divided into how the subjects are to be studied starting from General Bacteriology, Immunology and then proceed with Overview of Bacteriology, Virology, Parasitology and finally Mycology.

Then Madam went to each system, how to remember the etiology, pathogenesis, clinical presentation and finally the management of a case. She stressed the importance of sample collection, processing, infection control practices and safe biomedical waste segregation and disposal.

The final part of the presentation was about how to prepare for UG Practical Exams starting from staining methods, to case based learning in Bacteriology, Virology, Mycology and finally how to attend OSPE sessions. She concluded the talk about time management while writing each questions like essays, short answers and multiple choice questions.

Report on Guest lecture

“Aminoacidurias”

The Department of Biochemistry, Trichy SRM Medical College Hospital & Research Centre organized an online Guest lecture on “Aminoacidurias” on 17th February 2022 from 11.15 AM -12.15 PM. The Guest Speaker Dr. Durga Sowmithri, (PG alumini of Trichy SRM Medical College & RC), Senior Resident, Srinivasan Medical College, Samayapuram, Trichy has delivered a lecture on “Aminoacidurias” for First year Allied Health Science students.

Venue: The Allied Health Science students were gathered in Lecture Hall 5 and attended the guest lecture. The lecture was delivered online via Google classroom and displayed in big screen with LCD Projector.

Participants: A total of 105 Allied Health Science students and faculty participated in this programme. Dr. R.Thamarai, Dr.Balaji, Dr. Moonishaa TM and Dr. Kalavathy attended the session along with students.

Event: Dr. Durga Sowmithri started with set induction and started her lecture. The speaker explained about inborn errors of metabolism in detail. She mentioned about classification of aminoacidurias. The speaker also emphasizes the pathogenesis of the disorders. She highlighted the importance of laboratory diagnosis and management of aminoacidurias. After her lecture the students were given time to interact with her. As per the feedback received from the participants it was very good learning experience, the lecture helped them in their understanding the concepts of Aminoacidurias.

Respected Madam,

Sub: Request to conduct co - curricular activity reg...

This is to inform you that, the department of Anatomy is planning to conduct the following co curricular activities for 2020 - 21 batch in the month of February 2022, immediately after the University Practical Examinations.

Particulars of co -curricular activities

S.No	Date	Name of the Examination	Name of the course
1.	18/02/2022	Arts Competition	MBBS all years, AHS and Nursing (Interested students)
2.	18/02/2022	Dissection Competition	1st year MBBS (2020 - 21 batch)
3.	18/02/2022	Medal Examination	1st year MBBS (2020 - 21 batch)

I request you to kindly grant permission for conducting the programs

Thanking you,

Yours sincerely,

(Dr.S.D.Nalinakumari)

CIRCULAR

The department of Anatomy is conducting an "Co - curricular activity - 2022" for the First year MBBS (2020 - 2021 batch), First year Allied Health Science (2020 - 2021 and 2021 - 2022 batch) students as follows.

Venue: Lecture Hall - I, Ground Floor, College Block

Topic: Gross Anatomy

Date : 18.02.2022 (Friday)

Time: 10.00 am to 12.00 noon

S.No.	Date	Name of the Examination	Name of the course
01	18.02.2022	Arts Competition	MBBS all years and AHS (Interested students)
02		Dissection Competition	First year MBBS (2020 - 2021 batch)
03		Medal Examination	

The list of diagram will be posted on the notice board of department of Anatomy by 14.02.2022. The drawing materials will be provided for the Program.

The Professor and Head of Anatomy is requested to maintain and send relevant records of the program for the purposes of University, NMC, NAAC and other accreditation agencies.

The last date of registration is 14.02.2022 (Monday) and registration link is <https://forms.gle/Saib7hYXtM5UentC9>.

Dear Dr. Kavipriya,

We are proud to invite you back as a field expert to deliver an Alumni guest lecture on 18.02.2022 at 10 PM to the undergraduate students of Trichy SRM Medical College Hospital and Research Centre.

Details of the program

Topic: Nuance of drawing anatomically Appropriate diagrams
Target audience: Medical Undergraduate students
Venue: Lecture Hall - I
Date: 18.02.2022 (Friday)
Time: 10 AM - 11 AM

We also request you to kindly be the judge for the Art competition that follows the guest lecture.

Thanking You,

Yours Cordially,

(Dr. S.D. Nalinakumari)

Report

on "Nuances in drawing anatomically appropriate diagrams"-Arts competition

The department of Anatomy, Trichy SRM Medical college hospital and research centre, Irungalur, Trichy organised an arts competition on 18.02.2022.

The program details are as follows:

Venue: Lecture hall I

Time : 10.00AM to 12PM.

Judge for Arts competition: Dr. M. Kavipriya M.D (Anatomy)

Assistant professor

Department of Anatomy

Govt pudukkottai Medical College, Pudukkottai.

Report of the program

Aim of this arts competition was to know the importance of knowledge about the anatomy diagram and to improve the drawing skill of the student.

After the guest lecture given by Dr. Kavipriya, the competition started. All the drawing materials were provided by the department to all the students. Students were instructed to use proper colour for drawing the diagram and to use their knowledge in Anatomy and creativity.

As per the request we received from Nursing college and IST-Trichy SRM campus regarding their student participation in arts competition, we permitted to participate B.Sc Nursing students of Trichy SRM Medical college hospital and research centre, IST-B.P.T, B.O.T, AHS students along with 1st year M.B.B.S., and AHS students from Trichy SRM Medical college hospital and research centre.

Totally 91 (ninety one) students were participated. Among that 13 students from 1st year M.B.B.S., 5 students from Allied health sciences, 11 students from B.Sc nursing, 32 students from IST-B.P.T, B.O.T and 30 students from IST-Allied health sciences.

The best diagram was selected by judge Dr. Kavipriya based on colour code, knowledge and creativity in each group. The first three winners were awarded with prizes and certificate. We have also given the participation certificate for all the students participated in the arts competition.

CIRCULAR

The department of Pharmacology has proposed to conduct an online "Guest Lecture" programme on "Rational use of sulfonamides" for all the second year MBBS (2019 - 2020 batch) 141 students and the details are given below.

Date	: 25.02.2022, Friday
Time	: 11.00 am to 12.30 pm
Topic	: Rational use of sulfonamides
Guest Speaker	: Dr.K.Vairavel Prakash, MD., (PG Alumni 2016 - 2020) Assistant Professor of Pharmacology, Government Sivagangai Medical College and Hospital, Sivagangai
Mode	: Online

The Professor and Head of Pharmacology is requested to maintain relevant records of the programme for the purposes of University, NMC, NAAC and other accreditation agencies.

All the second year MBBS (2019 - 2020 batch) 141 students are directed to participate in the programme without fail.

REPORT: PG ALUMNI PROGRAMM

SPEAKER: Dr.K. VAIRAVEL PRAKASH MD (PHARMACOLOGY)

Government Sivagangi Medical College & Hospital

Topic: Rational use of Sulphonamides and Quinolones

Video call link: <https://meet.google.com/his-kdiv-kme>

Time: 11am – 12.30 pm on 25th February 2022

**Trichy SRM Medical College Hospital and Research Centre
Irungalur - 621105**

Objectives of the program:

1. To classify antimicrobial agents, depending on mechanism of action and antimicrobial spectrum
2. To explain mechanism of action of Sulphonamides
3. To explain reasons for reduced use of Sulphonamides in clinical practice and state conditions wherein they have retained their place

4. To classify Fluoroquinolones based on their spectrum of antimicrobial activity and clinical use
5. To state the mechanism of action, salient pharmacokinetics features, ADR and indications for FQs

Dr.K. Vairavel Prakash MD pharmacology is working in Government Sivagangi Medical College & Hospital

He gave a Guest Lecture on Rational use of Sulphonamides which could be useful for the 141-batch exam going students of pharmacology. He has briefly discussed about introduction about Sulphonamides, its classification, Mechanism of Action, its pharmacokinetics. Then he spoke about Cotrimoxazole its mechanism of action, clinical uses, Adverse events and combination of Cotrimoxazole and Sulphonamides.

Then he discussed about Quinolones, introduction, history of quinolones & and briefly about Fluoroquinolones (FQs)- 1st, 2nd, 3rd, 4th generation of fluoroquinolones. In which main and commonly used Ciprofloxacin was discussed briefly its mechanism of action, uses, Adverse events etc.

And short discussion on Ofloxacin and Levofloxacin, Lomefloxacin, Moxifloxacin.

He ended the session by discussing about Banned Fluoroquinolones (FQs) like Sparfloxacin, Gatifloxacin, Temafloxacin, Trovafloxacin, Grepafloxacin.
