Code of Conduct – Awareness Program – 2017

Target Audience: Newly Recruited Teaching Faculty – (Jan'2017 – November'2017)

Date: 22.11.2017

Speakers / Coordinators: Mr.Tamilselvan.K

Number of Participants: 131

Venue: B. C. Roy Hall

Report:

Code of Conduct Training Program for Teaching Staff was conducted on 22.11.2017 between 2.00.pm to 3.00.pm at B.C.Roy Hall lecture hall in Hospital, Trichy SRM Medical College Hospital and Research Centre Irungalur, Around 131 staff were attended the program. Code of conduct training is one of the essential elements of a comprehensive ethics and compliance program which ensures the knowledge of organization's mission, core values and behavioral expectation to foster a healthy work culture in employees.

HR Department has conducted this program under the guidance of Dean, Trichy SRMMCH&RC where the employees were given a full tour of the vision, mission of the institute along with the duty timings, rules/etiquette to be followed during the work hours. Apart from what expected from the employees the session also covered about the facilities offered to the employees along with the details of committees available for ensuring the proper conduct within the institute and process of addressing the deviations if any.

Program was more of interactive with active participation of the participants and resource persons were very happy in clarifying the doubts and welcoming the newly joined employees.

Code of Conduct – Awareness Program – (2018 – 2019)

Target Audience: Newly Recruited Teaching Faculty – (Dec 2018 – May 2019)

Date: 30.05.2019

Speakers / Coordinators: Mr. Tamilselvan.K

Number of Participants: 74

Venue: B. C. Roy Hall

Report:

Code of Conduct Training Program for Teaching Staff was conducted on 30.05.2019 between 2.30.pm to 3.30.pm at B.C.Roy Hall lecture hall in Hospital, Trichy SRM Medical College Hospital and Research Centre Irungalur, Around 74 staff were attended the program. Code of conduct training is one of the essential elements of a comprehensive ethics and compliance program which ensures the knowledge of organization's mission, core values and behavioral expectation to foster a healthy work culture in employees.

HR Department has conducted this program under the guidance of Dean, Trichy SRMMCH&RC where the employees were given a full tour of the vision, mission of the institute along with the duty timings, rules/etiquette to be followed during the work hours. Apart from what expected from the employees the session also covered about the facilities offered to the employees along with the details of committees available for ensuring the proper conduct within the institute and process of addressing the deviations if any.

Program was more of interactive with active participation of the participants and resource persons were very happy in clarifying the doubts and welcoming the newly joined employees.

Code of Conduct – Awareness Program - 2021

Target Audience: Newly Recruited Teaching Faculty – (Jan'2021 – May'2021)

Date: 28.05.2021

Speakers / Coordinators: Mr.Tamilselvan.K

Number of Participants: 86

Venue: B. C. Roy Hall

Report:

Code of Conduct Training Program for Teaching Staff was conducted on 28.05.2021 between 2.00.pm to 3.00.pm at B.C.Roy Hall lecture hall in Hospital, Trichy SRM Medical College Hospital and Research Centre Irungalur, Around 86 staff were attended the program. Code of conduct training is one of the essential elements of a comprehensive ethics and compliance program which ensures the knowledge of organization's mission, core values and behavioral expectation to foster a healthy work culture in employees.

HR Department has conducted this program under the guidance of Dean, Trichy SRMMCH&RC where the employees were given a full tour of the vision, mission of the institute along with the duty timings, rules/etiquette to be followed during the work hours. Apart from what expected from the employees the session also covered about the facilities offered to the employees along with the details of committees available for ensuring the proper conduct within the institute and process of addressing the deviations if any.

Program was more of interactive with active participation of the participants and resource persons were very happy in clarifying the doubts and welcoming the newly joined employees.

DETAILS OF BIO ETHICS AWARENESS PROGRAMS

Bioethics is a study of ethical, social and legal issues that arise in biomedicine and biomedical research. It is a combination of medical ethics and public health ethics. Ensuring appropriate training by innovative approaches, help the young minds to become a socially responsible and ethical doctor. To ensure this Trichy SRM MCH&RC formed a bioethics committee and organize activities that brings awareness to the young minds.

BIOETHICS COMMITTEE ACTIVITIES for the year 2017-18:

1. 3T (Teach, Train & Transfer) training Program in Bioethics was conducted by Bioethics unit between 6th and 8th July 2017.
2. All the pre-clinical and para-clinical departments conducted Bioethics sessions for the students to sensitize them in Bioethical principles. The topics were summarized with Problem- based case scenarios and the student's doubts on the session were clarified. The Lecture were interactive sessions with objectives aimed at Identification, Evaluation and decision making through Justification of Harm And Benefit in Health care settings. The students participated with great enthusiasm and came up with many different views and suggestions. At the end of each group presentation the moderators gave suitable comments and views. Feedback forms were collected and analyzed.
3. World Bioethics day was celebrated with competitions for students on 06/10/2017.

BIOETHICS COMMITTEE ACTIVITIES for the year 2018-19:

1. Students were taught about principles of bioethics in sessions conducted by respective departments. The methodology of teaching adopted was **"Teaching bioethics through moral games"** by Darryl R.J.Macer (UNESCO Chair). The students were randomly divided into 5 groups. Each group was given one case study taken from **UNESCO- Bioethics case list**. The

students were given 15 minutes to discuss about their case, they then had to enact the scenario followed by a debate as two teams - FOR and AGAINST the decision they had arrived at. The moderators present clarified any doubts regarding the case studies.

BIOETHICS COMMITTEE ACTIVITIES for the year 2019-20:

1. Foundation course for First year students joining MBBS includes sessions on Professional Ethics as a part of new Competency based Medical Education (CBME) was conducted.
2. World Bioethics day was celebrated on 18/10/2019 on the theme “ Respect for Cultural Diversities”. The audience of the program were the 3rd and 4th semester MBBS students and 7th and 8th semester MBBS students along with 2nd year AHS and Nursing students of Trichy SRM Medical College hospital and research centre and Trichy SRM nursing college, SRM Nagar, Irungalur, Trichy. Totally 384 students attended the program. Faculty from Trichy SRM Medical College hospital and research centre and Trichy SRM nursing college also graced the program with their presence. The chief guest of the day was Dr. Subbiah Tirupathy. He spoke to the students on what is culture and how culture varies from person to person and society to society.
3. Bioethics session on **CARDINAL PRINCIPLES OF BIOETHICS** was conducted for students on 02/11/2019.

BIOETHICS COMMITTEE ACTIVITIES for the year 2020-21:

1. Foundation course for First year students joining MBBS includes sessions on Professional Ethics as a part of new Competency based Medical Education (CBME) was conducted.
2. AETCOM (Attitude, Ethics and Communication) sessions as prescribed by National Medical Council are taken as a part of the curriculum for the students. In these sessions the principles of Bioethics along with communication skills are taken for the students regularly.

BIOETHICS COMMITTEE ACTIVITIES for the year 2021-22:

1. AETCOM (Attitude, Ethics and Communication) sessions as prescribed by National Medical Council are taken as a part of the curriculum for the students. In this sessions the principles of Bioethics along with communication skills are taken for the students regularly by giving case scenarios. Microbiology department conducted AETCOM sessions by getting reflections from students after giving some movies.
2. Foundation course for First year students joining MBBS includes sessions on Professional Ethics as a part of new Competency based Medical Education (CBME).
3. As a part of Academic Extravaganza, Bioethics committee of Trichy SRM Medical College Hospital and Research Centre conducted a Debate Competition on 27th August 2022 between 10:30 – 11:30 AM. The topic for the debate was **“HEALTHCARE PROFESSIONALS IN COVID 19 PANDEMIC - SELF PROTECTION VS PATIENT CARE”**. . Eighteen students had registered for the debate. Out of them 3 students were selected for each team by trial. During the debate, the students Ms. KAVYA SRI, Ms.NIRANJANA DEVI and Ms. IDA PEARLINE spoke about the need for Healthcare Professionals to protect themselves. The other team comprising Mr. PRASANNA VENKATESH, Mr.MICAH SOLOMON and Mr. Bala Seshathiri spoke about the patient care above self protection. There was a healthy discussion on the facts for and against each team with examples.
